## **TROY ATHENS ATHLETIC BOOSTERS**

The mission of the Troy Athens High School Athletic Boosters is to create a supportive environment wherein student athletes and their families are encouraged to strive for a well-rounded educational experience.

A non-profit organization, the boosters support all Athens sports in the form of scholarships, grants, equipment, and fees. Funds are generated through membership dues, concessions, spirit wear sales, and the dedicated work of many volunteers who believes that athletics is one of the greatest educational experiences of a lifetime.
